BCEL CONTRIBUTES 500 MILLION LAK TO THE GOVERNMENT TO FIGHT AGAINST COVID-19

The management team and the staff of Banque pour le Commerce Exterieur Lao Public (BCEL) contribute to fight against the COVID-19 pandemic which is getting worse in Laos so far. The contribution valued at 500 million LAK was agreed by BCEL's management team to support the National Taskforce Committee. The contribution ceremony was participated by BCEL and the government which Mr. Viengsouk Chounthavong, Deputy Director, represented BCEL while the representative from the government side was Mr. Kikeo Khaykhamphithoune, Ph.D., Deputy Prime Minister and Chairman of the National Taskforce Committee for COVID-19 Prevention and Control and the participation of related officers from both sides.

The ceremony was held at the Prime Minister Officein the morning of 28/04/2021. The government thanked the management team and the staff of BCEL since BCEL is aware of the public concern and always, especially in the difficult moment of the nation that Laos is encountering the spreading of the COVID-19 countrywide.

In 2020, BCEL also contributed 500 million LAK to the government to fight against the COVID-19. In the digital channel, a fund-raising campaign to help the fight against COVID-19 was raised in BCEL's OneHeart which is the easier way to assist people who want to donate via BCEL. At that time, BCEL could fundraise over 130.600.000 LAK (1st time) from the public which included supplies and medical equipment, and gave them to 7 government agencies to fight against COVID-19.

Now, the online fundraising campaign is still active. The customers of BCEL can explore more about the campaign by visiting https://oneheart.la/projects/oneheartcovid19, every donation will be disclosed to the public via BCEL's media from time to time.
