BANQUE POUR LE COMMERCE EXTERIEUR LAO PUBLIC

Greetings on International Children's Day and National Arbor Day

To: Our beloved children and youth,

On this wonderful occasion of International Children's Day 2026, on behalf of the Management and staff of the Banque Pour Le Commerce Extérieur Lao Public (BCEL), I am truly delighted and honored to have the opportunity to extend our warmest love, care, and best wishes to all children and youth across Laos.

BCEL has placed great importance on contributing to the development of children and youth who will become the sprouts and the important future of the nation

BCEL has supported the construction and development of various schools in rural areas, so that every child has the opportunity to access to education equally. At the same time, we have also co-supported the National Academic Excellence Competition, to encourage and celebrate students who demonstrate outstanding knowledge and ability, and have further promoted various other environmental conservation programs.

BCEL firmly believes that nurturing a love for nature and a sense of social responsibility from an early age is the most sustainable investment.

On this special occasion, BCEL has organized an educational field trip for students to experience firsthand the world of banking and to learn about modern finance. We want every child to dare to think, dear to dream, dare to learn, and dare to step forward with confidence in the era where the world has fully entered the digital age. I would like to reaffirm that BCEL will do our best to help create opportunities for every child in Laos.

"ກ້າວທຳອິດ ຂອງການຮຽນຮູ້ ສູ່ໂລກ ການເງິນຍຸກໃໝ່"

Finally, I would like to extend my sincerest wishes to all children and youth of Laos: **"May you be filled with happiness, good health, and excellence in your education, May you carry bright and beautiful dreams, and grow up to become a vital force in the development of our beloved nation — BCEL stands ready to be a steadfast pillar of support, empowering every child and young person to turn their dreams into reality and thrive in a better society."**

With love and care,
Mrs. Saysamone Chanthachack
Managing Director
