BCEL’s Welcomes The Securities Investors Association of Thailand

July 28, 2026 At the Grand Meeting Room on the 5th Floor at the **Banque pour le Commerce Exterieur Lao Public (BCEL)** welcome delegation from The Securities Investors Association of Thailand (SIAT). The visit and study tour aimed to exchange information on shares and business operations.

The ceremony was honored by the presence of **Mr. Nalin Silavongsith**, Deputy Managing Director of BCEL, who delivered a warm welcoming speech to the investors from the neighboring country. The delegation was led by **Mr. Chatchawanan Santhidej**, President of The Securities Investors Association of Thailand (SIAT), along with 20 attendees. which reflects Thai investors' strong interest in the capital market and financial sector in Lao PDR.

To provide the investors with a clear overview, BCEL presented the organization’s a video and the bank's modern services. Subsequently, the meeting proceeded to a key agenda featuring a presentation by **Mr. Souvanny Sengmany**, Deputy Head of the Research and Development Division at BCEL. He provided an in-depth briefing on the bank's history and its outstanding business performance to deliver highly valuable information to the visiting investors.

A major highlight of the event was giving the floor for the Thai investors to make inquiries on topics of their interest and exchange business perspectives directly with BCEL's executive management, fostering an atmosphere of constactive and shared business vision. This meeting marks another significant step for BCEL in expanding its international relations, promoting transparency, and genuinely elevating the confidence of both domestic and foreign investors, particularly those who are considering investment in BCEL’s shares.
