HANDOVER OF THE MINISTERIAL AGREEMENT ON SECTION ALLOCATION OF THE EXPRESS WAY PROJECT TO

PHOUSY CONSTRUCTION AND DEVELOPMENT PUBLIC COMPANY (PCD)

The Ministry of Planning and Investment, on behalf of the Lao Government had organized the meeting on 29th Jan, 2018 in order to handover of the ministerial agreement allocating of 4 sections for the Express Way Project to 4 qualified companies, which included Phousy Construction and Development Public Company, to conduct a survey and technical feasibility study on the Express Way Project (Vientiane to Pakse).

Phousy Construction and Development Public Company will place its best efforts to fulfill priorities as follows:

1). To coordinate with Ministry of Public Work and Transport in order to sign the Memorandum of Understanding (MOU) between the Government's representatives and Phousy Construction and Development Public Company;

2). To start conducting the technical survey on the section that the company is in charge;

3). After the completion of the survey, Phousy Construction and Development Public Company shall submit the technical feasibility study report to the Lao government for certification and later agreement signing.

Phousy Construction and Development Public Company one of the leading appointed construction infrastructure in the Lao PDR, is honored to be assigned by the Government of the Lao PDR, and it shall implement the project to its best capacity.
